ABSTRACT.

State that they have kept up Carts for conveying manure on to their fields. And they are unable. cultivators have never paid any Cart tax. They are now called upon by the Sampalam Municipal Board to pay the above tax from which they were exempted

orders of Mr. Bowring
an assessment ranging from 100
and their carts & horses exclusively
employed for purposes connected with
Agriculture - We trust they will be relieved
of the payment of the Cess in question, otherwise
it will seriously interfere with their cultiv

We Respectfully

From

The President,

Town Municipal Commission,

Bangalore.

Vol 5

To

The Secretary to the Dewan of H. H. the Maha Rajah to
~~Chief Commissioner of Mysore~~ of Mysore-

Sir,

With reference to your Official Memorandum No 3150/78 dated 11th Instant forwarding in Original Petition No 516 from Nanne Gowdah and others of Arkalgode for my Report as to the circumstances under which the Petitioners have been called upon to pay a Cart tax while they had not been required to do so till now, I have the honor to state that the petitioners, like many other hitherto enjoyed Exemption from such taxation as they being Agriculturalists, could not be brought under the Operation of Rule I quoted in General Circular No 3 dated the 27th September 1879 Copy of which is herewith appended for ready reference. Since the Ruling in the late Chief Commissioner's Proceeding No 6370-9/353 dated 31st January last, on a Reference from myself as Deputy Commissioner to the Effect that Para 12 of Proceedings No 3362-7 Mat 161 dated 27th September 1879 does not contemplate the Exemption from taxation of the Carts of Agriculturalists & of their houses in Municipal Towns, the Petitioners were called upon to pay the prescribed fee of Rs 2 per cart.

As they objected to the payment the usual procedure was taken for its Recovery, I Consider it only Reasonable that these men should be made to pay for their Carts, especially in a large Town like this where Railways [illegible] as they more advantageously & profitably their Landies for Use than for Agricultural purposes.

The number of Carts taxed in 1879-80 was 54 and 1880-81, 283 thus showing an increase of 229 Carts

2- Petition Received with the above is herewith Returned

I have the honor to be
